2026 SUMMER CAMPS

Youth Summer Camp Programs

Maker Lab: 3D Creations Camp \$275

Date: July 6th - 10th
Time: 9:00 AM - 4:00 PM
Ages: 7 - 12

Maker Lab: 3D Creations is a hands-on camp for kids who like to build and make things. Campers will work with materials like clay, paper mâché, felting, and cardboard, focusing on projects that go beyond 2D ideas and become 3D creations. Great for kids who enjoy working with their hands and bringing their ideas off the paper and into real objects.

Nature Quest Art Camp \$250

Date: July 20th - 24th
Time: 9:00 AM - 4:00 PM
Ages: 6 - 10

Get inspired by the outdoors in Nature Quest Art Camp! Kids will explore plants, animals, and adventure through projects like leaf printing, rock painting, nature collages, and outdoor drawing and painting. Perfect for curious kids who love to explore and create.

Arts, crafts & outdoor play!

Creatures & Characters

Art Camp

\$250

Date: July 13th - 17th
Time: 9:00 AM - 4:00 PM
Ages: 8 - 13

Bring your ideas to life in this character and creature art camp! Campers will create their own characters through sketching, sculpting, mask-making, and simple stop-motion animation. Perfect for kids who love storytelling, exploring their style, and bringing imaginative characters to life.

Little Morning Makers Half Day Camp

\$125

Date: July 27th - 31st
Time: 9:00 AM - 12:00 PM
Ages: 5 - 6

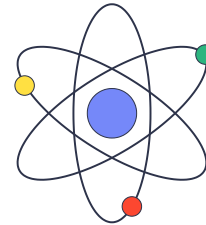

This morning half day camp is a creative start to the day for our littlest artists. This camp focuses on shorter, hands-on projects that keep kids engaged while exploring a variety of materials. We'll make things like paper mosaics, paper plate animals, puffy paint creations, air-dry clay pieces, puppets, and pipe cleaner art. Perfect for young kids who love to create, imagine, and try new things.

Art Lab: Where Art Meets Science

\$250

Date: Aug 10th - 14th
Time: 9:00 AM - 4:00 PM
Ages: 7 - 11

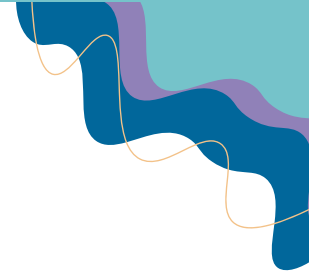

Art Lab Camp mixes creativity and curiosity exploring where art and science come together. Campers will explore simple science concepts through creative projects and experiments. We'll learn the science behind projects such as paint chemistry and marbling, invisible ink art, slime making, solar system projects, and more. A great fit for kids who like to experiment, ask questions, and see how things work while they create.

Skill Builders Art Camp

\$275

Date: Aug 17th - 21st
Time: 9:00 AM - 4:00 PM
Ages: 8 - 13

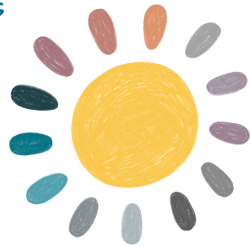

Skill builders art camp is a great fit for kids ready to spend more time developing their skills and ideas. This camp focuses on longer, more in-depth projects, with room for campers to have a say in the materials and directions they want to explore. We'll work on multi-day projects like painting, mixed media collage, and printmaking. This week of summer camp is perfect for kids who enjoy slowing down, focusing, and taking their art a step further while building techniques and confidence along the way!

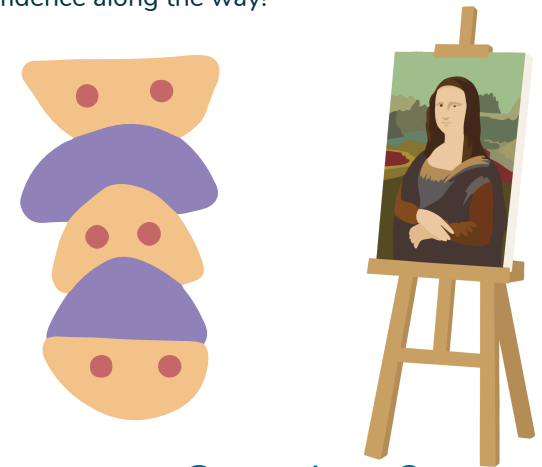

Little Afternoon Artists Half Day Camp

\$125

Date: July 27th - 31st
Time: 1:00 PM - 4:00 PM
Ages: 5 - 6

A fun, creative afternoon for our littlest artists! This half-day camp is full of short, hands-on projects that keep kids engaged and exploring a variety of materials. Campers will make sticker scenes, pom-pom and pipe cleaner critters, cupcake liner crafts, sensory paintings, collage hats and crowns, simple paper puppets, and nature paint prints. Perfect for 5- and 6-year-olds who love to imagine and experiment.
